I was sent again to  
Rytabul, or at least the  
island once called that. It  
is grown over with jungle  
now, but we are finding  
\*\*\*\*\*

that it was once a  
wonderful \*\*\*\*  
flowers, and  
wonders\*\*\*\*\*

We have not found any  
human remains which is  
very strange

\*\*\*\*\*  
\*\*\*\*\* But the epic  
says that this place was  
made by the gods  
\*\*\*\*\*

\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*  
\*\*\*\*\*

\*\*\*\*\*I now know  
why I was sent  
here\*\*\*\*\*

\*\*\*\*\*  
\*\*\*\*\*

\*I found  
it!\*\*\*\*\*  
\*\*\*\* What should I  
do? \*\*\*\*\*  
Terrible  
Artifact\*\*\*\* Do we

have the power to  
protect the world? Is  
there a  
danger\*\*\*\*\*

\*\*\*\*\*It is not

worth the  
risk\*\*\*\*\*  
\*\*I will hide the  
fossil, I will tell them  
there was nothing left  
here to  
find\*\*\*\*\*

\*\*\*\*This island can  
rot into the sea, I once  
loved this place. No  
more\*\*\*\*\*

\*\*I will hide it in a  
place no one would think  
to look, a place out of  
time, ancient and deep,  
hidden in the hidden valley  
among those of malformed  
pre-evolutionary  
makeup\*\*\*\*\*
